## **THE ECONOMICS FESTIVAL ON RADIO AND TV WITH “LA PROVINCIA INFORMA”**

(g.p.) – From 1 to 4 June 2006 Trento will host the first Economics Festival, an unprecedented event for Trentino, which will bring internationally famous figures to our province to talk about issues which concern us all in an accessible manner (from saving and markets to mobile phones and employment). The programme for the initiative will lie at the centre of this week’s episode of “La Provincia informa” (Information from the Province), a radio and television programme produced by the Press Office of the Autonomous Province of Trento. “La Provincia informa” will be transmitted by radio and TV stations in Trentino starting from tomorrow – Friday 28 April 2006 – and a radio news programme is also available on the Internet, at the site [www.uffstampa.provincia.tn.it](http://www.uffstampa.provincia.tn.it) where it is possible to view the programming for the episode by individual stations.

Here us the schedule for the TV stations:
